**Japanese Language and Culture Program**

For more details, please visit our  
website below via the QR →

This program is for students from partner universities who wish to improve their Japanese language skills and gain a deeper understanding of Japanese business, culture, and history, all while making new friends along the way. We offer many opportunities to participate in activities alongside Japanese students on campus, including tea ceremonies, calligraphy classes, visits to the Ghibli Museum, and more! Additionally, participants will live in our on-campus dormitory where both international students and Japanese students reside throughout the school year.

**International Academic Affairs Office**

2-1-1, Higashimita, Tama-ku, Kawasaki-shi  
Kanagawa 214-8580, Japan
